To Whom It May Concern:

Please find enclosed a grant application, completed as expected and attached along with our last set of full years accounts and also our child protection policy.

We gratefully appreciate any support you can give us in our ambitions to complete our redecoration of the pavilion at our club ground on Fairfield Recreation Ground.

Over the last 5-years our Cricket club has grown to where it is today, with over 50 senior male members and over 20 female members. We boast 3-mens league teams, a women's league side, junior boys age groups from U8 up to U15 and three girls age groups.

In the same period, we've invested in our facilities wholly without any grant funding and only relying on club fundraising efforts and the generous support of our club sponsors, members and the District Council.

We have installed a permanent 2-lane net facility costing £25,000, an artificial playing wicket costing £7,500, a new kitchen within the pavilion costing over £3,000 and a large scale rebuild of the changing rooms, showers and corridor flooring costing a further £10,000 and an electrical scoreboard costing a further £7,500.

As part of the planned 5-year plan we are also updating and replacing the current bar we have within the pavilion and this is being completed in the next month or so. The final part of our refurb is the communal area and social space of the pavilion, including full redecoration of the walls, new flooring, new furniture and upgrading of what we can offer our members, visitors and the local community users.

This is what this grant application will help go towards and help complete our 5-year plan and continue to support our ambition to provide a comfortable, welcoming and pleasant environment in which to welcome our club members, those from the other local clubs who use the facility, along with all the local community users who hire the pavilion and enjoy our much improved facilities.

I look forward to hearing from you in due course.

Yours truly,

Matt Parsons
1st XI captain & Junior Co-ordinator
