Trade union facility time

The code requires that local authorities must publish the following information on trade union facility time:

- Total number (absolute number and full time equivalent) of staff who are union representatives
- Total number (absolute number and full time equivalent) of union representatives who devote at least 50 per cent of their time to union duties
- Names of all trade union represented in the local authority
- A basic estimate of spending on unions
- A basic estimate of spending on unions as a percentage of the total pay bill

Hurstpierpoint & Sayers Common Parish Council does not have any trade union representatives, and therefore this requirement does not apply.
