Dear Clerk – Please cascade to all Councillors

Public consultation has begun on the future of active travel in West Sussex. The proposals that are being put forward set out how we can deliver improved walking, wheeling and cycling facilities across the county.

We are seeking your feedback on two important documents related to the way that we travel:

- Our draft Active Travel Strategy, which sets out our vision and goals for active travel in the county for the next decade and beyond.
- Our draft Local Cycling and Walking Infrastructure Plan (LCWIP), which identifies key locations where WSCC wants to invest in active travel.

Have your say

You can find out more about the suggested improvements by visiting the project's website:
https://yourvoice.westsussex.gov.uk/active-travel-strategy
On the website you can read the draft Active Travel Strategy and LCWIP in full and have your say by completing a survey. The survey closes on 15 November 2023.

We would like to gain as many responses as possible, so please share details of these proposals through your networks. Your feedback is vital in shaping the final versions of the Active Travel Strategy and LCWIP, which are expected to be published in early 2024.

If you would like any of the materials in alternative formats, or have any questions, please email us at activetravel@westsussex.gov.uk or by telephone on 01243 642105 and we will do our best to assist you. If you are deaf or hard of hearing and have an NGT texting app installed on your computer, laptop or smartphone, you can contact us on 18001 (01243 642105).
