Subject: STAKEHOLDER CONSULTATION: West Sussex Highway Network Management Plan

Caution: This email originated from outside of Hurstpierpoint & Sayers Common Parish Council. Do not click links or open attachments unless you recognise the sender and know the content is safe.

Dear Stakeholder

West Sussex County Council has developed a Highway Network Management Plan (HNMP) to set out the approach taken to all aspects of highway network management in West Sussex.

We have identified you and your organisation as a key stakeholder – someone with an involvement or interest in highway network management in West Sussex.

We would like your views on the draft HNMP.

Please do not pass the survey on to others – we have contacted a wide group of interested stakeholders though this is not a public consultation.

All responses received will be carefully considered as we revise and update the document.

The draft HNMP, together with a summary of feedback received from this consultation, will be reported to the Council's Communities, Highways and Environment Scrutiny Committee (CHESC) on 25th November 2024; following this, the HNMP will be updated and approved subject to a formal decision of the Cabinet Member for Highways & Transport.

The draft HNMP is available within the survey link: [Highway Network Management Plan Consultation | Your Voice West Sussex](#)

Please complete the survey by 30th October 2024.
