Briefing Note

Hurst Meadows path improvements 2025

16th January 2025

Introduction

It was highlighted by a member of the public at the end of October 2024 that the path leading into Buckwilly from Bellows Nose in Hurst Meadows has become excessively muddy due to wet conditions and a large amount of foot fall. At the November 2024 Hurst Meadows Working group meeting the Estates & Facilities Manager was asked to obtain a quote from Barcombe Landscapes, (who have installed paths for us in the past) to install a MOT path over the effected Muddy areas, at the Buckwilly/Bellows Nose entry point and to include the St George's Lane/Fifteen Acre entry points.

Proposal

It is proposed to appoint Barcombe Landscapes to carry out the path improvements in the areas indicated below at a total Cost of £2,000 plus VAT.

Bellow Nose

Fifteen Acre

Recommendation

It is our recommendation to appoint Barcombe Landscapes at a total cost of £2,000 plus VAT.

RECOMMENDATION: The Committee is asked to AGREE the appointment of Barcombe Landscapes at a total cost of £2,000 plus VAT.
