Briefing Note

Dog waste collection 2025/2026

16th January 2025

Introduction

Due to a change in Greenscene Landscape's staff, they will be unable to continue with the dog waste collections from February 2025. They can continue with the general waste collections for the foreseeable future; however, the dog waste is difficult for them. We approach Lindfield Parish Council, who have recently changed their dog waste collections, and they suggested Pet waste solutions.

Quote

Pet Waste Solutions provided an estimate in a timely manner as below:

9 x dog waste bins at £6.75 per bin per collection with an initial £30 waste transfer note, which will be charged annually.

Total charge per month £243 plus VAT (based on one collection per week of 9 bins over a 4-week period).
An annual charge of £2,916 plus VAT plus £30 per annum for the Waste Transfer note, a Total of £2,946 plus VAT.

This will be a slight increase from £6.18 plus VAT per bin to £6.75 plus VAT per bin. Total increase of 0.57p per bin.

Proposal

It is proposed to appoint Pet Waste Solutions at a cost of £243 plus VAT per Month with the £30 waste transfer note initial cost for 1 year. at a total annual cost of £2,946 plus VAT. To review the service after 1 year to determine if we would like to continue with this company.

Recommendation

It is our recommendation to appoint Pet Waste Solutions to empty 9 dog waste bins in Hurstpierpoint & Sayers Common for 1 year from March 2025 at a **total cost of £2,946 plus VAT.**

RECOMMENDATION: The Committee is asked to AGREE the appointment of Pet Waste Solutions to empty the Parish Council's 9 dog waste Bins in Hurstpierpoint & Sayers Common for the term of 1 year at a total cost of £2,946 plus VAT.
