RECOMMENDATION: The committee's recommendation is that MSDC should give permission on the basis that:

- The committee appreciates conservation concerns but feels that whilst modern materials have been used, they are in keeping with the look and character of the property and the property has been sympathetically renovated.
- The committee have no objection to the car port being a replacement to the wall that is in disrepair and due to lack of parking.

- 5) **Hurstpierpoint College, College Lane Hurstpierpoint. DM/25/0063** Proposed construction of a first floor extension and access stair at the northern end of the new swimming pool building. Accommodating two classrooms, staff office and ancillary accommodation.

- Noise pollution from the A23 if the woodland is removed.
- Concerns for the wildlife corridor being destroyed.
- Historical refusal for housing on this site.

- 8) **Playing Fields North of Headmasters House and Westfield, Hurstpierpoint College, College Lane Hurstpierpoint. DM/25/0128** Proposed sports pavilion to many weathers playing field.
