Dear Malcolm,

I hope this email finds you well.

Following your suggestion regarding the Sayers Common village sign, we presented residents with a choice of sign finishes at our recent village breakfast event.

The turnout was excellent - we served breakfast to approximately 75 residents, of whom 45 expressed their preference for the sign design. The results were quite decisive, with 38 residents favouring the black and gold finish, while only 7 preferred the plain black option.

While we acknowledge this doesn't represent the entire village population, we believe this substantial sample provides a clear indication of residents' preferences. We feel confident these results are sufficient to present to the Parish Council for approval.

I've attached the photo and mock-up we used to demonstrate how the gilding would enhance select areas of the sign, along with copies of the residents' signatures documenting their preferences.

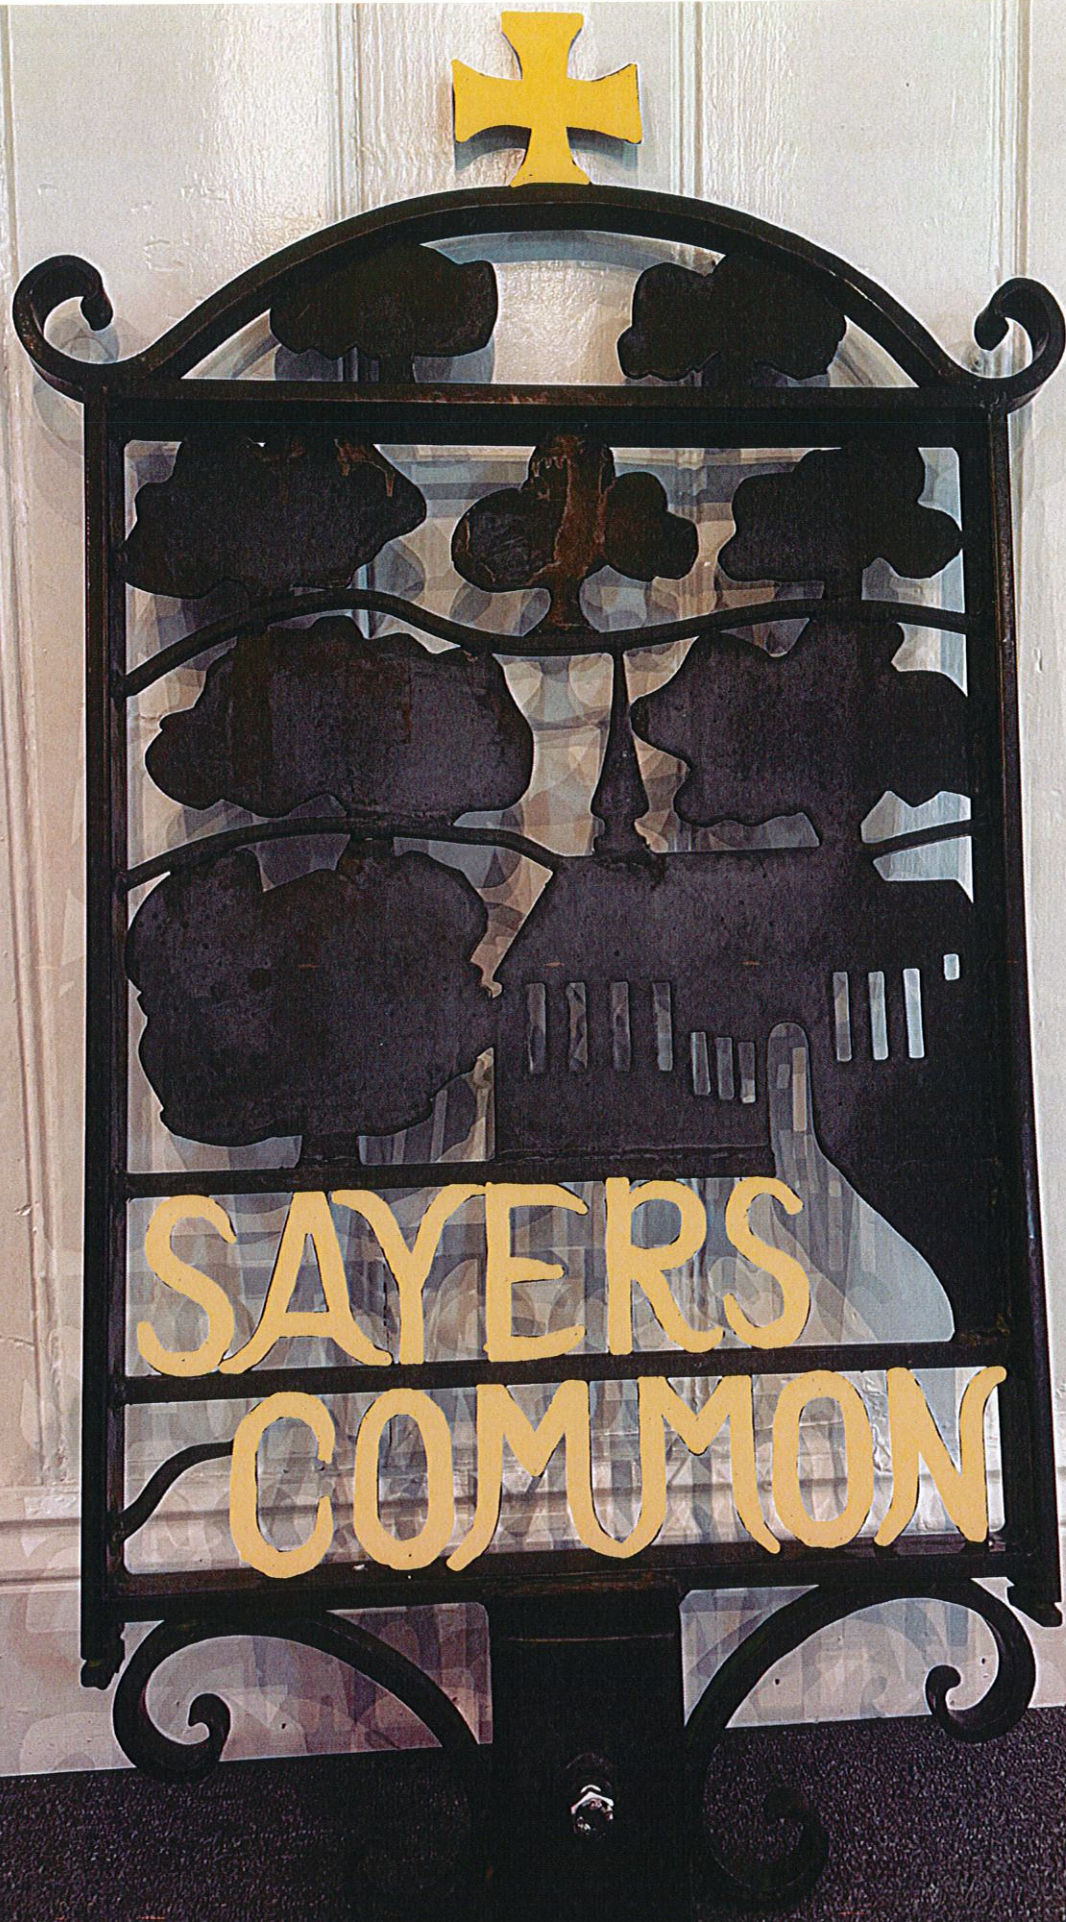

I hope this information meets your requirements, but please don't hesitate to share your thoughts or let me know if you need anything further.

With kind regards,

Julian

Julian Saunders

SAYERS
COMMON

Sayers Common Village Society

We are refurbishing the village sign. It has historically been all black but we want to give the villagers of Sayers Common a choice for its future design.

Would you like to see the sign stay black or would you prefer it to have gilded (gold) as shown on the images?
