F25/26.031: Review of 2024/25 External Audit Report: The Committee noted the External Auditor's (Moore West Sussex) Certificate for the 31 March 2025 accounts and congratulated the Team on the result. A comment had been made in the covering letter to the Clerk, that the External Auditor felt the general reserves appeared to be held at a low level. The Committee noted that the Parish Council's Reserves Policy states that a minimum of three months of net revenue expenditure would be held in the general reserve, and that this figure was in fact exceeded. The Practitioner' Guide states that in practice any authority with income and expenditure in excess of £200,000 should plan towards the three months equivalent general reserve. The Internal Auditor had also commented in their report of 29 April 2025, that the Parish Council's reserves are in the recommended range. The Committee agreed to recommend the External Audit report to Council for adoption, and it was:

Cllr Majsai asked that the Hurst Meadows Section 106 agreement be sent to Batcheller Monkhouse. The lights in the public toilets had been changed to LED. The service of the sewer pumping station at Court Bushes Community Hub would take place in September, and it was:

RESOLVED: That the Committee AGREED the Action Plans for 2025/26.

F25/26.033: Estates & Facilities Update: The Committee noted the comprehensive update report. The fifth bullet point under the Hurst Meadows heading would be amended to read the work experience student from Plumpton College, not Downlands School. Cllr Llewellyn suggested investigating new signage across the estate, or as a cheaper option, overlay stickers to update website details. Cllr Shorrocks asked what happened to the Speed Indicator Device (SID) data. It is sent on to the Sussex Police Community Speedwatch Officer in the Road Safety Team. Cllr Majsai wondered if they had received any speedwatch volunteers following the presentation at the Annual Parish Meeting and the repeated appeals by the Parish Council in the Hurst Life magazine, and it was:

RESOLVED: That the Committee NOTED the update report on Estates & Facilities Management, as amended.
