- 1) Shepherds Cottage, Stuccles Farm, Twineham Lane, Sayers Common. DM/25/1857** Retrospective change of use from agricultural land to residential garden land and change of use of the barn and stable building to residential ancillary accommodation.
RECOMMENDATION: The committee has no objection to the planning application; however, it is extremely disappointed that the applicants have once again undertaken the work prior to obtaining permission, and are now seeking retrospective approval, as with their previous applications. The committee would like to refer this matter to the Legal Department for their opinion, given the similarities to the withdrawn application DM/23/2437.

DM/25/2661** Outline planning application (with all matters reserved except for access) comprising a residential development of up to 210 dwellings (Use Class C3); with associated access; landscaping; amenity space; drainage and associated works.
RECOMMENDATION: The Parish Council continues to object to the excessively harmful number of new dwellings proposed for the future Sayers Common Sustainable Community and remains concerned about the lack of a five year land supply and an approved District Plan. It recognises the need for new homes but remains concerned that the infrastructure of drainage, sewerage, water supply, roads, cycleways, footpaths and active transport is not adequately addressed by the water companies, utility companies and District and County Councils. The Parish Council recognises the efforts the developers have gone to, to consult the public and parish councils with regards to this development and thanks them for that. However, the objections remain as:
- Highway safety
 - Lack of infrastructure and the ability to take extra traffic
 - Infrequency of public transport
 - Parking
 - Noise
 - Effect on the Grade II listed building
 - Layout and density of building – new housing development buildings are too close together and does not give people space and the opportunity to alter their property over time or if they outgrow.
 - Government policy
 - Nature conservation – concern for the buzzards that are breeding in the woods on the south border
- 10) **Bentley Cottage, Wickham Hill, Hurstpierpoint. DM/25/2691** Rear extension. Internal alterations. Alterations to South Elevation. Decking to rear elevation with steps down to garden level. Replacing window to existing kitchen with french doors and glass handrail
RECOMMENDATION: The committee recommends that MSDC grant permission.
- 11) **Bentley Cottage, Wickham Hill, Hurstpierpoint. DM/25/2684** Rear extension. Internal alterations. Alterations to South Elevation. Decking to rear elevation with steps down to garden level. Replacing window to existing kitchen with french doors and glass handrail.

- 12) **The Pest House, Bedlam Street, Hurstpierpoint. SDNP/25/04231/FUL** Change of Use of The Pest House (Host Building) from Dwellinghouse (Class C3) to Children's Residential Home (Class C2). Change of Use of Dwellinghouse (Holiday Let Class C5) to Children's Residential Home (Class C2). The change of use of this Dwellinghouse to residential is to be linked to the Class C3 use of the Host building ie as ancillary accommodation.
