Briefing Note

Buy Back Burial Plot F25

For Finance, Governance & Estates Committee 16 April 2026

Background

A parishioner has requested to sell back a burial plot purchased from the Parish Council in 2005 for £120. One of the registered owners has since passed away, and the family has made alternative arrangements. The cemetery currently has only three plots available, so returning this plot to the Parish Council's stock would increase options for future burials.

Proposal

Repurchase the burial plot from the parishioner. The recommended buy-back amount is £95, calculated as the original purchase price (£120) minus an administrative fee of £25.

RECOMMENDATION: The Committee is asked to AGREE the repurchase of the burial plot for £95, reflecting the deduction of the £25 administrative fee.
